## Teachers' Feedback - Action taken Report (2023-24)

Outcome or Suggestion of Feedback from Teachers	Action Taken in that Reference
Teacher expects better first-aid and emergency medical facility. Better cleanliness is expected Better canteen facility is expected	Requirement of better first-aid and emergency medical facility is being considered at top management level. More support staff is appointed by the institute and few cleaning equipment are purchased. Upgradation of existing canteen is recommended to top management. Suitable action is assured.
