Conclusive Remarks – Employers' Feedback (2023-24)

Institute has collected feedback with reference to management and governance from employers; members on board.

Conclusive remarks from the data:

It is observed that all members believe that institute is being able to achieve long term goal and staff members are motivated and are working with ownership.

Members believe that staff members of the institute are representing the institute properly among students and in society.

87.5% of the members believe that staff members are skillful enough.

Majority of the members on the board believe that staff members are continuously upgrading themselves.

Members on the board believe that staff members are working with positive attitude, campus is safe for students and proper think tank is placed in the institute.
